Transfer Airport / Hotel:

1. If you chose public transport, the easiest way to reach the hotel from the airport is by **tram**. At the airport you should take **the tram-line number 4** in the direction of **Tondi** (leaving approximately every ten minutes, also on Saturday and Sunday) and get off at the stop called **Hobujaama** (10 stops away from the airport). There you should change to the **tram-lines number 1 or 2**, going in the direction of **Kopli** (leaving approximately every ten minutes, also on Saturday and Sunday) and get off at the stop called **Balti jaam**. The hotel is located within a 700-meter-distance from the tram stop Balti jam (see the map below).

All the information regarding how to purchase a ticket for the public transport in Tallinn you can find (in German and in English) at:

<https://www.tallinn.ee/eng/pilet/Ticket-information-for-tourists>.

The cheapest option is to buy a smart card (e-ticket), for which a 2-Euro-deposit has to be made, but which can be collected upon the return of the ticket. A smart card can be obtained from R-kiosks, which are literally everywhere, including one at the Tallinn airport, and are easy to find.

2. The second way to reach the hotel from the airport is by **taxi**, which is relatively cheap. Street taxi drivers are not always permitted to drive into the airport, therefore it is advisable to order a taxi online. The cheapest application for ordering a reliable taxi is here <https://taxofon.ee/en>. If ordered online, a taxi drive would cost 5 to 10 EUR one way, and if you take the taxi that is standing at the airport arrival, a drive to the hotel would cost approximately 15 EUR/one way
