

19th Meeting of the Standing Committee
26th Meeting of the Advisory Committee

Online Meeting, 9 – 12 May 2022

Provisional Schedule

Since the StC19-AC26 Meeting will take place online, adjustments to this provisional schedule are likely to occur according to the work progress. While the extended Standing Committee might not need two full days for its agenda items on Tuesday and Wednesday, this will surely be the case for the Advisory Committee and its working groups.

The StC19-AC26 Meeting will start with a joint plenary session on Monday, 9 May, in the afternoon. On Tuesday and Wednesday both Committees will meet in parallel sessions according to their time requirements.

On Thursday, 12 May, a joint plenary session of both Committees will discuss all substantial draft resolutions that became available before and during the meeting for submission to the 9th Session of the Meeting of Parties.

Monday, 9 May 2022:

14:00 h **Opening of the StC19-AC26 Meeting** (further schedule here attached).

All times are Central European Time (GMT+2).
