

7th Session of the Meeting of the Parties

Brussels, Belgium, 15 – 17 September 2014

Resolution 7.15

Amendment to Resolution 6.4: Guidelines for the Implementation of
the EUROBATS Projects Initiative (EPI)

The Meeting of Parties to the Agreement on the Conservation of Populations of European Bats (hereafter "the Agreement");

Recalling Resolution 6.4. adopted at MoP 6;

Noting a request for modification in the requirements for the final report of funded projects;

Agrees to the following amendments:

1. In Annex 1 – Standard Format for Applications, in the declaration of the Applicant add:

I agree that relevant data on bats collected under this project (at least a list of species, number of individuals, locality with coordinates, date) will be made available to the Secretariat and to relevant host or local authorities attached to the final report.

I agree to abide by the EUROBATS code of ethics adopted in Resolution 6.5. Guidelines on Ethics for Research and Field Work Practices.

2. In Annex 2 – Standard Format for Final Reports, paragraph 10 should be replaced by:

10. Products (e.g. records, publications, workshops, seminars) and other outcomes of the project (identify the host or local authorities that received or will receive copies of the information).
