

6th Meeting of the Standing Committee

Bonn, Germany, 22 March 2011

Projection of 2011 expected income through voluntary contributions

The following Parties have made commitments for voluntary contributions in 2011:

Germany: 28,500 EUR for Year of the Bat information material (funds received end of December 2010).

Germany: 25,600 EUR annual contribution for EPI projects, the participation of experts from the extended Agreement area at EUROBATS Meetings and information material.

Luxembourg: 5,000 EUR annual contribution for EPI.

The Parties are kindly encouraged to consider additional contributions in 2011 to ensure the continuing success and impact of EPI as well as other activities, in particular Year of the Bat.
